

2021 Yearbook Order Form

We've received a special price this year and books are only \$10 each. Orders are due March 5.

We are excited about this year's cover that goes so well with our bible verse for the year:

"You are God's Masterpiece."

To see the cover in color, check out the School News section on our homepage.

We'll have portraits and many photos without masks, but imagine in 25 years your child pulling out this book to show what an unusual time we lived through!

It's time to order your St. Patrick/Clover Patch yearbooks!

Our full-color book features preschool through grade 8 students' portraits and photos of class activities, events, sports, and more. Student interviews, quotes, and articles make the yearbook a great keepsake to remember friends and days at school! This year's book will be delivered to us in August so that it includes our full school year.

Please fill out one of the sections below. Returning this form lets us know that the order form made it home and you had the option to buy!
